

# ADOPTION REQUEST FORM

Our rescue animals make wonderful pets and usually adjust quickly to their new families. To create great outcomes, we foster animals with members of our group, council adoptive families and make recommendations that help our adopters to make the right decision for themselves and their new pet.

We request a donation from all adoptive families to help cover the cost of preparing the dog for his/her new home. We spay/neuter all animals prior to adoption.

LCAR is a non-profit animal rescue organization that rescues from animal shelters, as such Last Chance Animal Rescue cannot and does not warranty the health or breed of the animal.

Please fill out the application to help us get to know you, your family and your lifestyle. This information will assist us in matching you with one of the rescue pets awaiting adoption. Your application will be reviewed for preliminary approval and we will call or email you with information about our current pets awaiting adoption.

If you have any questions about the application or our organization, please email: [dogs@lastchanceanimalrescue.org](mailto:dogs@lastchanceanimalrescue.org)
